

CALL FOR ART

Dome Gallery is hosting a themed show during the Lenten Season (February 26-April 9) where we will display art made by members of our community.

This is a chance to bring our unique perspectives and creative expressions for all to enjoy. Anyone at Reservoir may submit a piece of artwork regardless of age or experience. All art pieces will be displayed as long as they comply with the guidelines below.

The theme for your art is:

“CREATION, DESTRUCTION & RESURRECTION”

You can create something that represents all three words, or take one word and use it as inspiration for your piece. The rest is up to you. You may want to depict a scene from scripture, or from your neighborhood, or from your imagination. There is no limit to your creativity & you can work as an individual or collaborate with others.

To be displayed the art must be:

- Two dimensional (a painting, drawing, or mixed media)**
- Framed with a wire for hanging (see hanging info below)**
- No larger than 30 X 40 inches, no smaller than 13 X 16 inches**
 - No heavier than 20 lbs.**
- Appropriate for an intergenerational audience**

Deadlines and submission:

Please submit JPEGs of your work for the exhibition.

All JPEGS should include your name, email and a brief statement on what inspired you about this theme.

Please send JPEGs and information to jbeltsmith@gmail.com no later than February 12, 2020 and bring your framed piece to Reservoir no later than February 23, 2020.

More information on Hanging:

The gallery utilizes a special hanging system for artwork. All work should be framed with a wire across the back to accommodate this system. Wire hangs $\frac{1}{4}$ of the height down from top. Wrap wire around appropriate “eye hooks”. Wire should not be too tight or too loose, making sure wire does not hang too close to top of frame. This keeps the gallery hook hidden behind the frame.
