**I can't see  
What's in front of me  
Still I will trust You  
Still I will trust You**

**Steady heart that keeps on going**  
**Steady love that keeps on holding**  
**Lead me on**  
**Steady grace that keeps forgiving**  
**Steady faith that keeps believing**  
**Lead me on**

**Though the sky is dark  
And the wind is wild  
You'll never leave me  
You'll never leave me**

**Though the night is long  
There is a coming dawn  
The light is breaking  
The light is breaking**

**Steady heart that keeps on going**  
**Steady love that keeps on holding**  
**Lead me on**  
**Steady grace that keeps forgiving**  
**Steady faith that keeps believing**  
**Lead me on**

**And as the dawn breaks  
And the clouds clear  
In an open space  
Together we will run**

**Steady heart that keeps on going**  
**Steady love that keeps on holding**  
**Lead me on**  
**Steady grace that keeps forgiving**  
**Steady faith that keeps believing**  
**Lead me on**

**Through your story is my fingerprint  
In the valley there is confidence  
In the shadow I will be your strength  
One thing's for sure I am your Lord**

**Through the chaos I will be your joy  
When you're finished I have so much more  
In the waiting I'm an open door  
Stand still and know I am your Lord**

**There'll be times when you're up**

**And times when you're down**

**I'm never too far**

**Just look around and you'll find me**

**I'm by your side, arms open wide**

**I am good you are loved**

**I am good you are loved**

**What was and is, is covered  
By the One who was and is  
You're covered by love**

**I am good you are loved**

**I am good you are loved**
